NAVIC

Nagoya Autonomous Vehicle International Champions

NUSIP2026 - NAVIC Seminar

What does it take to design, build, and race a championship-winning autonomous vehicle?

Join us for an exciting seminar featuring firsthand insights from members of **opTMIzer**, a world-class student team from Nagoya University that has won multiple autonomous driving championships, including the Minicar Autonomous Grand Prix (MAGP).

Note: NUSIP students also participated in MAGP last year.
